

PLEASE READ AND SIGN THE PROGRAM RELEASE FORM BELOW

Release and Medical Authorization

This release and treatment authorization must be signed by a parent or guardian if the student is under 18 years old. In order for students to participate in the program activities, we must have this form prior to the program's start date. Otherwise, parent or guardian must be contacted prior to release to participate.

Release of Liability, Medical and Surgical Authorization

In consideration to the Connecticut Technical High School System granting the student permission to participate in the *E. C. Goodwin Tech Summer Enrichment Program*, I hereby assume all risks of his or her personal injury (including death) that may result from any program activity. As guardian I do hereby release the State of Connecticut, Connecticut State Board of Education, Connecticut State Department of Education, the Connecticut Technical High School System and their officers, employees, agents, all instructors, and all participants from all liability, including claims and suits at law or in equity, for injury, fatal, or otherwise which may result from the student taking part in the *E. C. Goodwin Tech Summer Enrichment Program* activities.

In addition, I hereby authorize and give my consent to the health authorities of the Connecticut Technical High School System or any licensed health professional to perform upon or administer any reasonable, necessary surgical or medical treatment. I also give permission to administer whatever anesthetic may be necessary or advisable during the medical or surgical procedures. In the case of psychiatric and/or psychological treatment, parent authorization for treatment beyond that responsive to the emergency will be requested. I agree to assume all costs related to such treatment.

Academic Enrichment Academy

The Academic Enrichment Academy is designed to provide incoming students with an academic “head start.” The program helps students as they transition from middle school to high school academically and socially.

The Academic Enrichment Program focuses on the essential 21st century literacy & mathematical skills to be successful in any high school setting. Instruction, from certified teachers, is designed to meet individual student needs as assessed at the beginning of the program .

The program also provides many opportunities for students to:

- complete their summer reading requirements
- get to know their peers, the staff, and instructors at Goodwin.
- engage in team-building, STEAM and conflict resolution activities.
- survey the courses offered at Goodwin.
- reduce the anxiety associated with middle school transition.
- transitioning from 8th to 9th grade.
