

Recent Pre-Apprentice signings at Goodwin THS November 6, 2023:

Davin Murphy 12th grade plumbing student was recently signed on as a pre-apprentice with Douglas Plumbing Heating & Air Conditioning, LLC of Farmington, CT. Pictured with Davin on the right, are his parents, Lauren and David Murphy. In the center of the picture is Douglas Skaperda from Douglas Plumbing Heating & Air Conditioning. On the left is the Department of Labor, Office of Apprenticeship Training representative Nicholas Blardo, who is a graduate of Vinal Technical High School.

Giuliana Fazzina, 11th grade electrical student was recently signed on as an electrical pre-apprentice with Power Solutions, LLC of Bristol, CT. Pictured from left to right are: Mr. Telesca, Principal, Nicholas Blardo, Department of Labor, Office of Apprenticeship Training representative and graduate of Vinal Technical High School, Matt Skinner, owner of Power Solution, LLC, Giuliana Fazzina and her mother, Diane Fazzina.

Matt Skinner is a 2017 graduate of EC Goodwin Technical High School. This is the second EC Goodwin student that Matt has brought to work with him as a pre-apprentice. In October, 12th grade electrical student Andrew Koscho was signed on as an electrical pre-apprentice.

Pictured left to right are: Ron Murray, Electrical CTE instructor, Matt Skinner, owner of Power Solutions, LLC, Giuliana Fazzina, 11th grade electrical student, Andrew Koscho, 12th grade electrical student and Chris Hart, Electrical CTE Department Head.

Congratulations to all our new pre-apprentices!
