# Description

- To keep your literacy skills sharp over the summer, you will complete a Summer Reading assignment. Your assignment is to read a book and complete a Character Trading Card!
- The assignment will be completed on a **simple** Google Form, posted in your instructor's homeroom classroom, or a free-hand creation, and will be submitted through your homeroom. The assignment is due **on or before September 9<sup>th</sup>**!
- Your homeroom teacher, will give you a certificate of completion.
- You can redeem the certificate **during Quarter 1** for 5% extra credit in the subject area of your choice. What form your credit will be determined in consultation with your teacher. (Examples: homework pass or do-over, assignment extension, extra points on an assignment, etc.)
- There will be no penalty for failing to complete the assignment, other than missing the opportunity to learn something new, and earn a little extra credit too!
- **\*\*Your Character Trading Card must be thoroughly and accurately completed for you to receive credit.\*\***

# ***Incoming Freshmen, Class of 2028!***

## **Welcome to EC Goodwin!**

1. Preview of the Summer Reading Form, Directions, & Examples can be found on the Goodwin tech homepage!
2. Read a **full-length, age-appropriate** book, eBook, or audiobook.
  - It can be nonfiction or fiction. This includes trade, technical, or other career-college preparatory texts.
3. Take notes while you read.
4. Complete and submit the **Gladiator Summer Reading Assignment** on, or before **September 9<sup>th</sup>**.

***Additionally**, each incoming Grade 9 student is **strongly encouraged** to obtain a public library card and start exploring the library resources in your hometown. Many public libraries are connected to the Sora and Follett Destiny reading apps that you will also use here at Goodwin Tech.*
